Rev. C. C. Weathers,
Washington St.,
Newark, N. J.

Dear Sir:

I am writing to ask your assistance in a matter which I am sure you will be interested in. There is a young man named Davis (first name unknown to me), who is at present a Member of The Mohawk Giants Baseball Club of Schenectady, N. Y. This Club is a small independent Baseball Club owned by Mr. Henry Bozzi, of 135 South Ferry St. Mr. Bozzi is willing for Davis to join The Newark Eagles Baseball Club, a Member of The Negro National League, where he will earn more money than he does with The Mohawk Giants.

Davis is at this time under parole in Mr. Bozzi's custody for what offence I do not know. I am asking you to assist in getting the Parole Board in Schenectady to permit Davis to be transferred to New Jersey. The Eagles are playing in Albany, N. Y. this coming Sunday, July 14th, and I would like to bring Davis back with The Team.

I will greatly appreciate your co-operation.

Very truly yours,
